Information Update

November 2011

Financial Intermediaries Association
of Southern Africa

INTRODUCTION

As the “Holiday Season” approaches, safety and awareness are important requisites to ensuring your enjoyment throughout. Here are some points to note.

THIS TIME OF YEAR

There is a definite upturn in criminal activity during the Holiday/Festive Season, so please ensure that you have proper Safety and Security measures in place and that they are in working order i.e. burglar alarms for your home and alarm or tracking devices for your vehicles. Be more careful with your assets and personal belongings.

Let your neighbours/trusted friends know if you are going away for the holidays. And don't leave valuables visible in either your house, or your vehicle.

ONWARD SELLING OF INSURANCE

The Financial Services Board are investigating the sales of Insurance by non-registered vendors i.e. Transporters, Warehousemen, Contractors and the like. Please be careful of this as these are not defined as Intermediaries in terms of the applicable legislation and are not authorised nor licensed to sell Insurance products.

SEASONS BEST WISHES

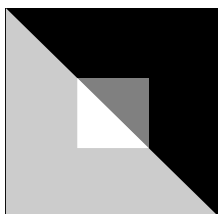

As 2011 draws to an end, it remains for us to thank you once again for your continued support, and on behalf of the Holburn Team, wish you and your families a blessed and happy Holiday Season, and a peaceful 2012.

Please note our offices will be closed on the 9th December 2011, from 12:30 pm for our Christmas lunch. Rob, George, Angie and Billy will be available on their Cellphones.

Last but no means least, always have your Broker's telephone number available !!
